I would like to enroll in the Honors Choral Program at Pearce High School. I understand that this will include not only regularly scheduled choral activities and assignments, but also extra assignments as specified in the Honors Choir Requirements. I am aware of the due dates for each assignment. If I do not complete all Honors assignments by the semester due dates, I understand that I will not receive the Honors points for that semester. To be eligible as a senior for a graduation Honors cord, you must complete requirements for both semesters.
